

Deepening Our Faith Journey

Week #24: February 28, 2016

This week's daily readings:

Sunday, Mark 12:1-12. Pray for good stewardship of the vineyard. Picture Christ as the cornerstone of your life. What is God building in your life?

Monday, Mark 12:13-17. Give to God the things that belong to God. What is difficult for me to give to God? How can I take a step of faith today?

Tuesday, Psalm 19:1-6. How do I see nature declaring the glory of God at this moment?

Wednesday, Psalm 80:7-19. Pray for those who are experiencing the consequences of destructive behavior.

Thursday, John 15:1-5. Picture yourself abiding in the vine that is Christ. What nourishment are you receiving?

Friday, Philippians 3:7-16. What would it mean right now to know Christ and the power of his resurrection and the sharing of his sufferings?

Saturday, Galatians 5:22-26. What fruit of the Spirit named by Paul is needful in my life?

As I listen for God's voice in each of these readings, what is God asking me to do, change or become?
